*A Tribute
to a Member
of the Board*

Theodore R. Banks

This year's ACROPOLIS pays tribute to Theodore R. Banks who, for thirty-two years, has done much to perpetuate Mr. Hershey's memory and ideals. This year marks the retirement of Mr. Banks as Senior Vice President of Hershey Estates.

As one of the executives of Hershey Estates, Mr. Banks was in charge of the Soap and Extraction Division, Water and Waste Treatment Plants, Laundry, Department Store, and Museum. In addition to those responsibilities, Mr. Banks has been secretary of the Governing Board of the Hershey Hospital, a director of the Hershey Trust Company and The M.S. Hershey Foundation, and a member of our Board of Managers here at Milton Hershey School.

Mr. Banks was reared in Trenton, New Jersey. In 1922 he entered Lafayette College where he earned a degree in chemistry. Upon graduation from Lafayette, he worked in the Bureau of Chemistry in the New Jersey State Health Department before coming to Hershey in 1936.

Mr. Banks has also been active in the community affairs. He is a member of the Hershey Country Club, the Masons, and the All Saints Episcopal Church. He has been a Trustee of Lafayette College and the Harrisburg Academy. He has also held positions in the Episcopal Diocese of Harrisburg and has been President of the Board of Trustees at the Episcopal Home in Shippensburg for ten years. Over the years he has been particularly helpful in encouraging and obtaining aid for Milton Hershey School students who wished to go on to higher education.

His greatest tribute can be seen in his being named by Lafayette as one of the six outstanding members in the National Fraternity of Phi Gamma Delta.

This year's ACROPOLIS recognizes the achievements of Mr. Banks and pays tribute to him for serving not only our school, but also the community of Hershey, and all of Mr. Hershey's ideals.

President and Headmaster*

Dr. John O. Hershey, President

An English divine, Robert South, once said, "If there be any truer measure of a man than by what he does, it must be by what he gives." I share the feelings of the entire school staff in saluting each member of the Class of '69 for what he has done and for his purposeful aspirations for greater achievements in the future. Inherent in this salute is our faith that each graduate will measure the success of his life by what he gives of himself to his work, in service to others, and for the brotherhood of man. Class of '69, this world will be better because you will make it so. Our best wishes go with you.

A handwritten signature in cursive script, reading "John O. Hershey".

It is a pleasure to salute the Class of 1969, whose achievements have earned the respect of staff and students alike. They leave behind a record that attests to their diligence in the pursuit of knowledge and their devotion to the ideals of Milton Hershey School. It is my sincere hope that their accomplishments here will inspire them to apply their talents and abilities to meeting the needs of their fellowmen. If you are to be in the highest sense useful, you must continue to command a positive response from others; you must continue to command respect. The world's respect is earned by men who give themselves away, asking nothing in return but the privilege of serving. As graduates from whom much is expected, I pass on to you now the high challenge—"See to it that you command every man's respect."

A handwritten signature in cursive script, reading "Richard A. Rudisill".

Dr. Richard A. Rudisill, Headmaster

School Barbers—Adam W. Beam and Allen F. Zook.

The theme of this year's ACROPOLIS is related to service. Our school has grown through the dedication of individuals who have given their time and talent to serve Mr. Hershey's ideals.

This year we pay tribute to our two school barbers, Allen F. Zook and Adam W. Beam. Mr. Zook retired on October 31, 1968, after 37 years of service, while Mr. Beam plans to retire in December of this year after 20 years dedicated to MHS.

Both men have enjoyed outside activities. Mr. Zook has enjoyed flying, photography, and golf; Mr. Beam has offered a great deal of his time to the Palmyra Volunteer Fire Department.

We are sorry to lose the services of these two men; however, we are happy that they are about to enjoy a well-deserved retirement. We the students, teachers, administrators, and friends of MHS all pause at this time to pay tribute to the services rendered by these two men and wish them well in their retirement.

The members play varied styles of music including jazz, polkas, fox-trots, and waltzes. They have played for the Senior Prom, the Alumni Homecoming Dance, and for programs at the Zembo Mosque. They have also competed in the Central Pennsylvania Stage Band Contest.

The Spartan Orchestra elects officers each year and holds regular practices which have helped it to become one of the best high school dance bands in the state.

The Spartan's sax section practices a score in one of their sectionals.

W. Purnell Payne directs the Spartan Orchestra in one of their rehearsals.

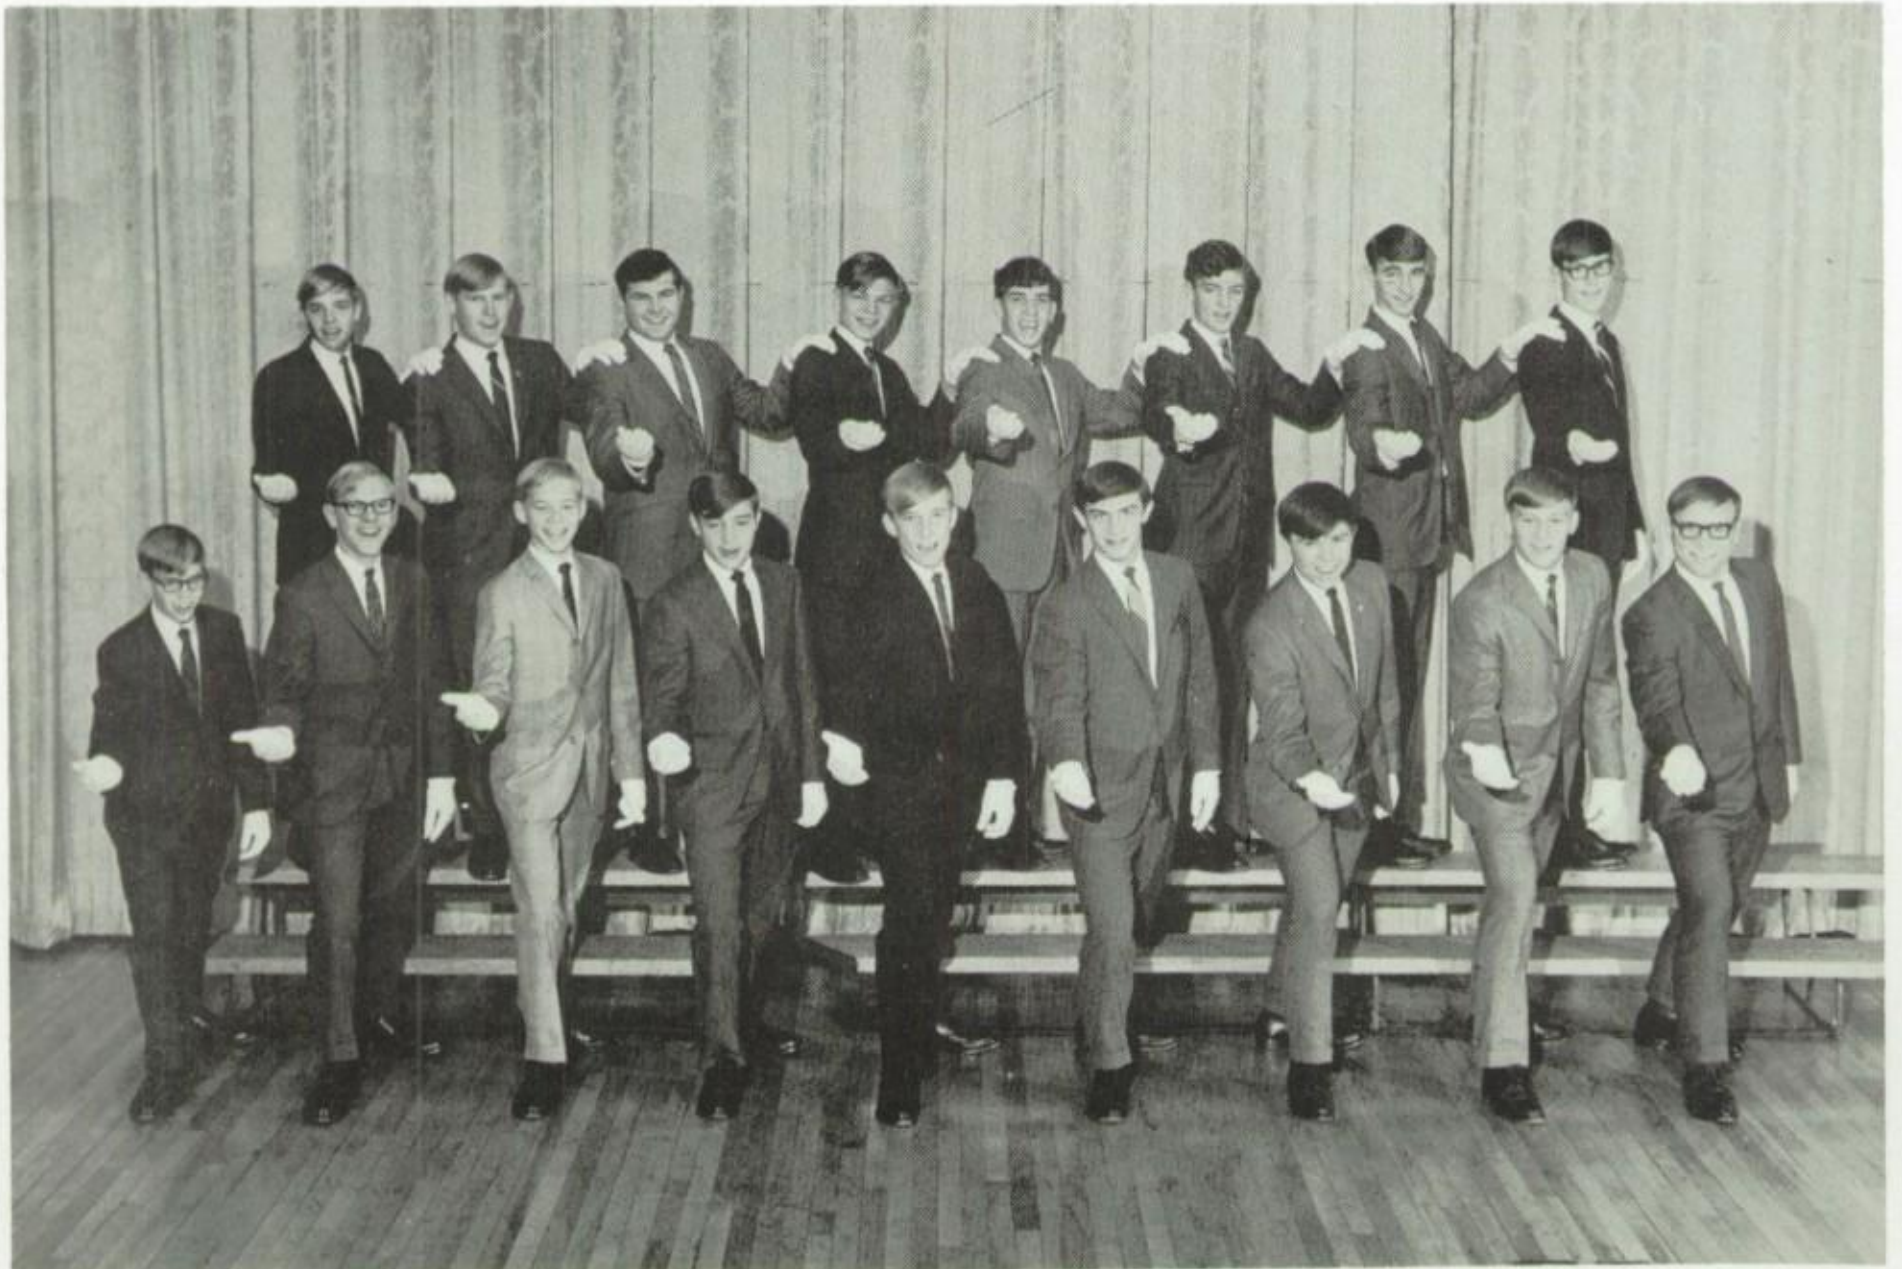

The Milton Hershey Glee Club

Glee Club Officers-R. Chambers, historian; F. Parrish, president; J. Davies, secretary; R. Minnich, librarian; Virgil L. Alexander, director; A. Ewing, manager.

With each passing year the Glee Club touches the hearts of many people in audiences throughout Pennsylvania and its neighboring states. This year has proven to be no exception for this astounding group.

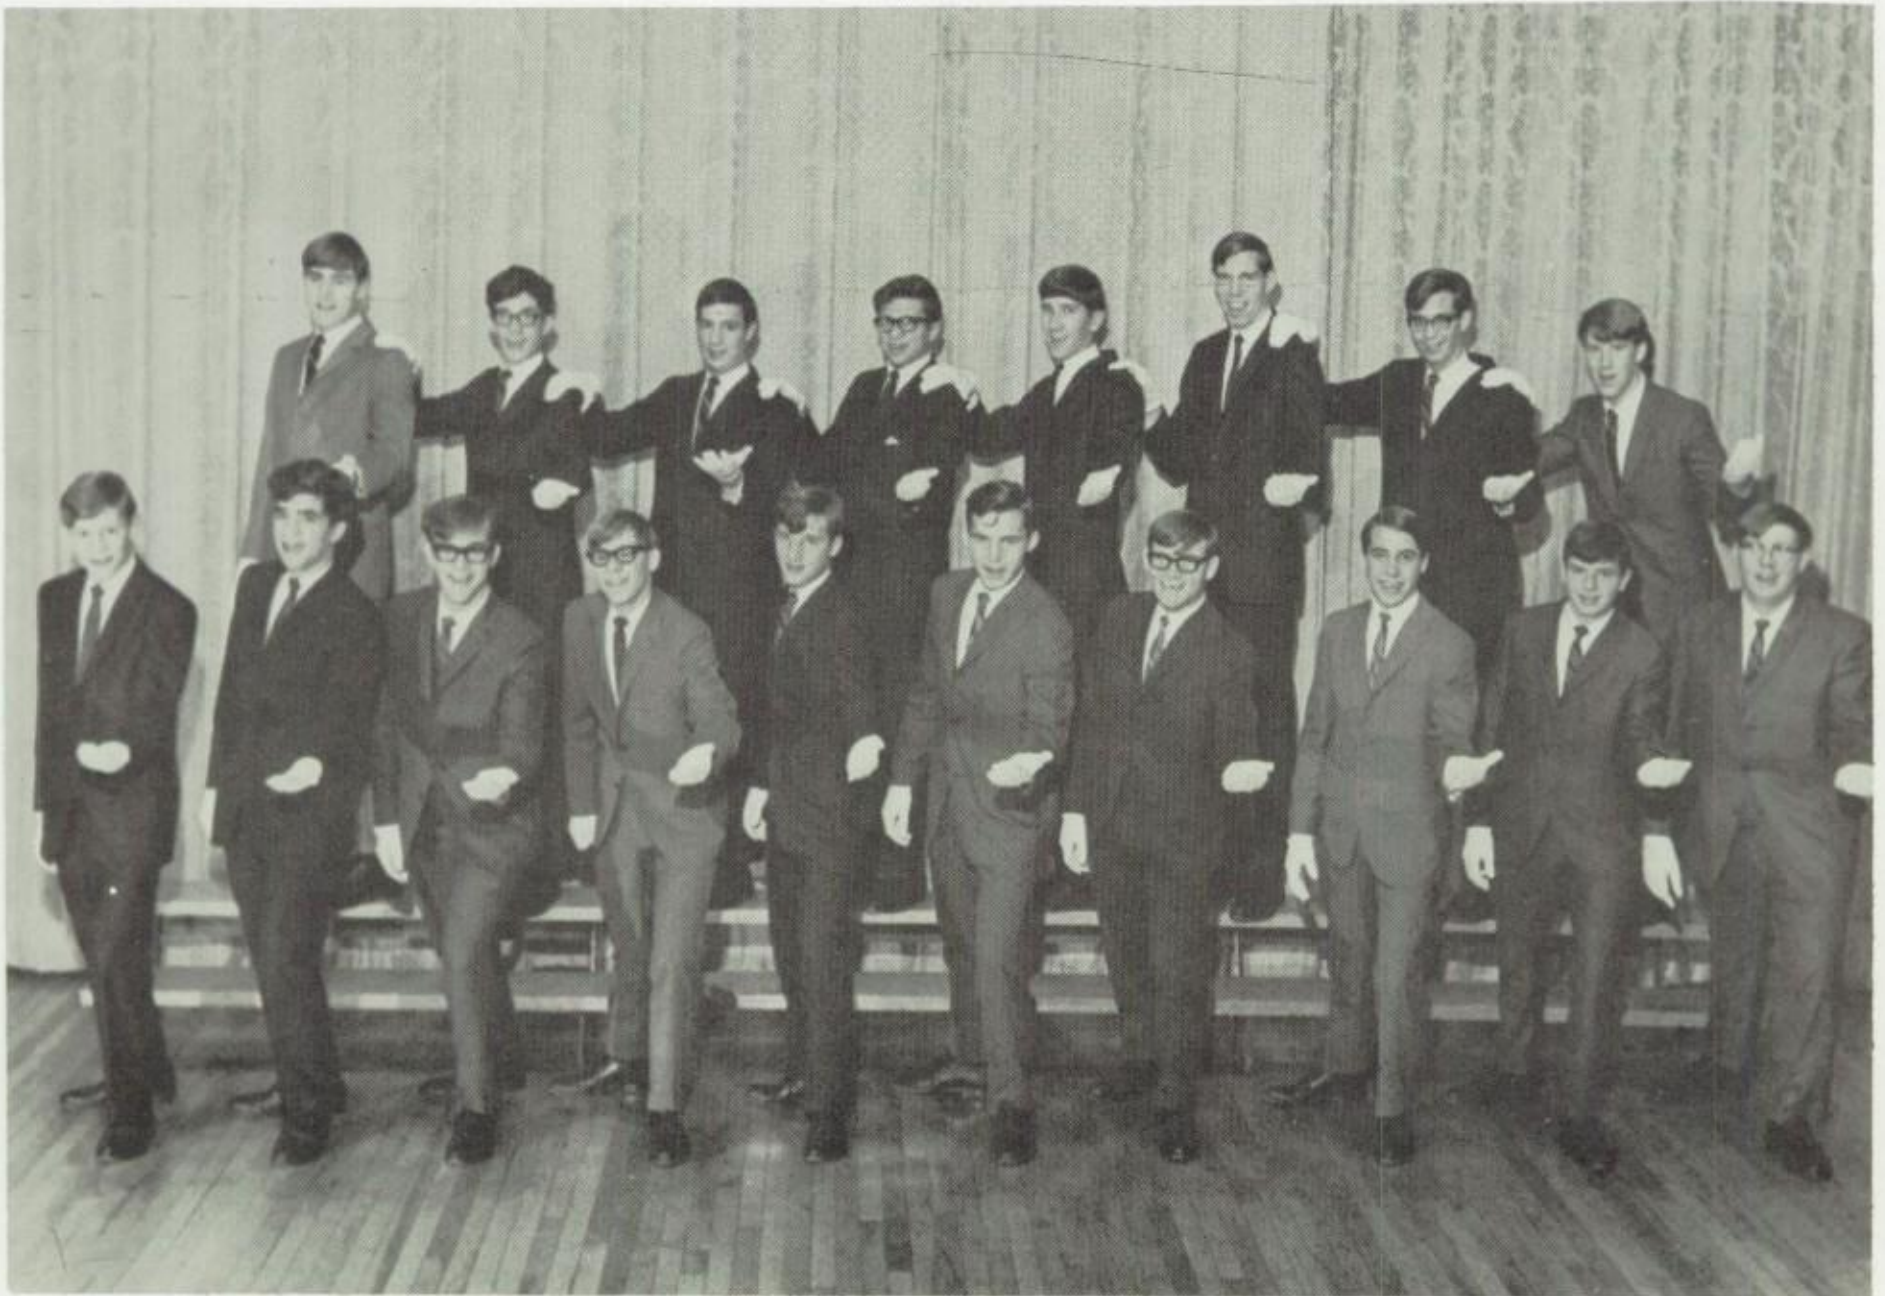

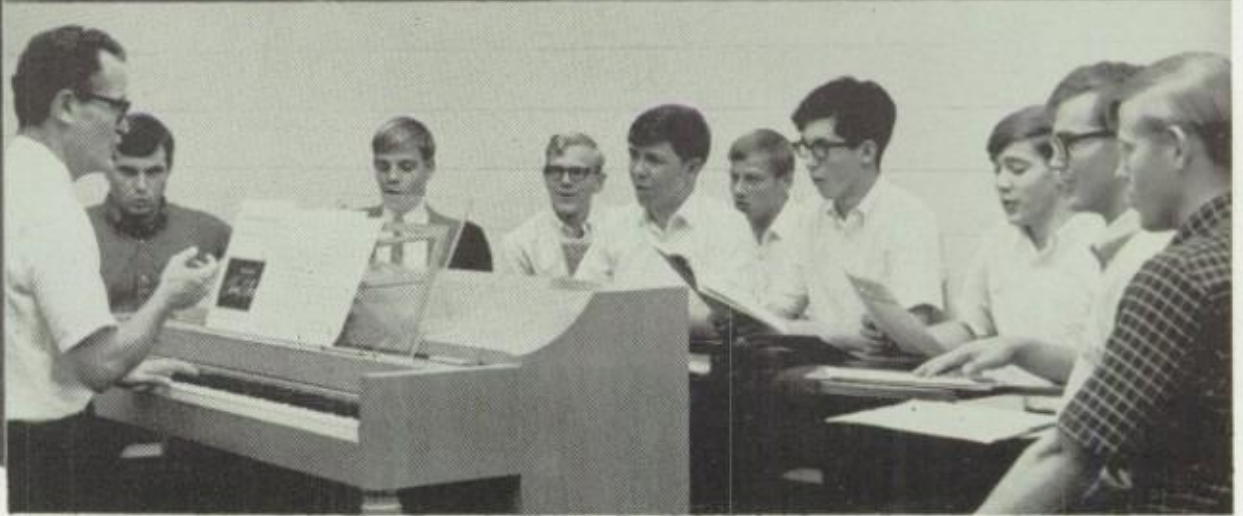

Their routines have won them the reputation of being one of the country's outstanding high school performing groups, which includes anything from an imitation of a marching unit, or music for the school's Sunday Worship Service to an amusing arrangement of a song. Because they haven't any formal program, they must memorize a repertoire of some forty songs along with a unique staging for each one. All of this is achieved under the direction of Virgil L. Alexander.

Glee Club-First Row: C. Spicknall, J. Foreman, K. Lotz, D. Kowacz, G. Riggin, R. Minnich, J. Clever, M. Moulder. Second Row: P. Biful, G. Blackburn, G. Millsap, W. Anello, F. Parrish, D. Brennan, R. Chambers, J. Davies.

On the staff of the ACROPOLIS rests the responsibility of producing an accurate record of the 1968-69 school year in the form of a memory book which will grow more valuable to its owner each passing year.

All phases of life at Milton Hershey School have been treated in these few pages, a task which has been made more painstaking by the many advances in subject matter, materials of instruction, housing, and transportation.

If our task is to be made more difficult each year by improved opportunities for living and learning, we cheerfully accept the challenge.

Milton Hershey continued Cross Country this year in the same undefeated style as when the sport was introduced only one year before. With a 9-0-1 record this season, the only disappointment was a home course tie with Mechanicsburg. The Spartans were pressured throughout the season by the speedy Red Land harriers who had won the Central Penn title the year before, but MHS maintained the lead by downing the Patriots in a late season meet. The team will be losing five of their eight starting runners next year, but will be anchored by Joe Utzler, who set five individual records this year.

Varsity Football Offensive Team

VARSITY FOOTBALL OFFENSIVE TEAM-First Row: J. Hanawalt, D. Duppsdt, J. Usher, T. Sapp, F. Parrish, T. McCauley, C. Prandini, M. Murphey. Second Row: J. Rogale, G. Knisley, B. Daniels, M. Longenecker, L. Pinch, G. Gulliver, J. Mardula, J. Harvey, T. Gaffney.

This year's Varsity football team, under the leadership of Head Coach John Hoerner, compiled the best record for Milton Hershey in the past three years. The team had a good season after a slow start and finished sixth in the CAC. The Spartans were not shut out in a single game and managed to outscore their opponents by one point, 158 to 157. Halfback John Rogale averaged 4.5 yards per carry and was named the outstanding player of the homecoming game. Next year the Spartans will have a number of veterans returning along with some fine players from the junior varsity and should have a solid club.

The Junior Varsity finished with a highly respectable 6 win 1 loss record, despite many scheduling problems. Disappointed by having what would have been the first game of the season postponed until the end, the Spartans ripped through the early part of the schedule, suffering only a 14-12 loss to Red Land. After that game the defense toughened and recorded four straight shutouts. The offense did their part by outscoring the opposition 106 points to 32, with Joe Perzel garnering fifty of those points. Composed mainly of sophomores and a few juniors, the team should provide quite a few fine varsity players for next season.

The Freshman team, composed mostly of boys who had never played football before,, finished with a fine 4 win, 1 loss, 1 tie record.

The offense, under the leadership of Kim Klinger, along with the running ability of both Ed Moore and John Lelii, outscored their opponents 65 to 34. Their highest score of the season came in a 20 to 7 victory over Cedar Crest.

The defense was instrumental in winning many games and also recorded two shutouts over Palmyra. Of the many promising players moving up to J.V. ball next year, a few may be able to play varsity.

It was a good season for Coach John Cook's Varsity dribblers who placed fifth in the eleven team Capital Area Conference, winning 12-8 and tallying a 14-8 seasonal record. Returning lettermen this season were John Mardula, captain; Tom Connolly, co-captain; Mike Dennis; Jim Hamilton; and Ron Benovitz, all of whom are seniors. The only returning junior letterman was Jay Rountree, who had a single season record in scoring with 410 points and a single season high in rebounds with 354 points. Other high scorers in the two hundred mark were T. Connolly-212, and M. Dennis-191. Lettermen returning next year are Jay Rountree and John Hanawalt.

Coach Gerald R. Long's Junior Varsity squad, after a slow start, caught fire and posted a 14-6 record for third place in the Capital Area League and an overall record of 14-8. The season began with a large number of boys who had never won a game in competition; but who, when they had experienced the thrill of victory, went on to a record of 13 wins and 3 losses for the remainder of the season. Indicative of this spirit were the victories of the last two games, both of which were won with three starters out of action. The second of these two games was won against Middletown by two points in the last six seconds.

Veterans on the squad were Rick Conta, Brooke Russell, and Mike Resig. Among the promising newcomers are John Plomteau, Francis Mardula, Dave Walsh, Gene Hunking, Tom Rothert, and Marshall Nixon.

Coach Larry E. Hollingshead's Freshmen, playing against more experienced squads, had a 5-10 record, losing seven of ten by the total of only twenty-five points. The introduction of basketball in the seventh and eighth grades should place our Freshmen on a more nearly equal footing with teams having two or three years' experience. High scorers for the Spartan squad were Bill Claypole with 14 points average each game, Glenn Cross with 13 points, and Kevin Stroupe with an average of 9 points. Good prospects for next year include Jon Rountree, Floyd Stewart, and Charles Krause.

"We can be proud," said Coach Hollingshead, "of boys such as W. Claypole, G. Cross, K. Stroupe, R. Staniszewski, R. Davis, P. Dumond, and J. Lawson."

Stuchko, (manager).

The 8-6 record of the Varsity wrestlers, under Head Coach Ray Faidley and Assistant Coaches Bryan Seese and David Thompson, gave the squad a good season. The loss of four matches in the Capital Area League by the slim total of four points made the difference between a good season and what might have been an outstanding season. Noteworthy was the 13-0-1 record of Jim Usher and 9-2-3 tally of Mike Sokolowski. The Junior Varsity compiled a 14-1 record to tie

for first place in the Capital Area League. Total team points 441; opponents 208.

Of the fifty-two teams competing in the Lehigh National Prep School Tournament, the Spartan wrestlers took the Team Title with sixty points. Martin Kitner took the 141 pound title; Jim Usher was second in the 130 class; Byron Ramsey won third in the 115; Dan Duppsstadt took fourth place honors in 136 pound class as did George Gulliver in the 183 weight class.

The Spartan Swimmers, with a 6-5 Central Pennsylvania League record, posted by far the most impressive record-shattering season in their fourteen year history, having captured 2 pool, 5 league, 32 school, and 215 individual records. Every school record in every event was surpassed, not only once or twice, but in some cases three and four times. The return of all these record-breaking veterans next season, including All-American Prep school back-stroker Scott McAdams, should place the Spartans in strong contention for the Central Pennsylvania League championship.

CLASS OF 1969

Lyrics by

Through broadening skies we see the world;

we see its challenge shine

Our Alma Mater sheds forth its pride

For the men of '69.

Our aim is not to win the world
We will not seek such fame.
We only want to show the world
Our goals shall be attained.

Now is the time to say farewell
To the Brown and Gold we knew.
The fruitful walk to life has come;
Our life to start anew.

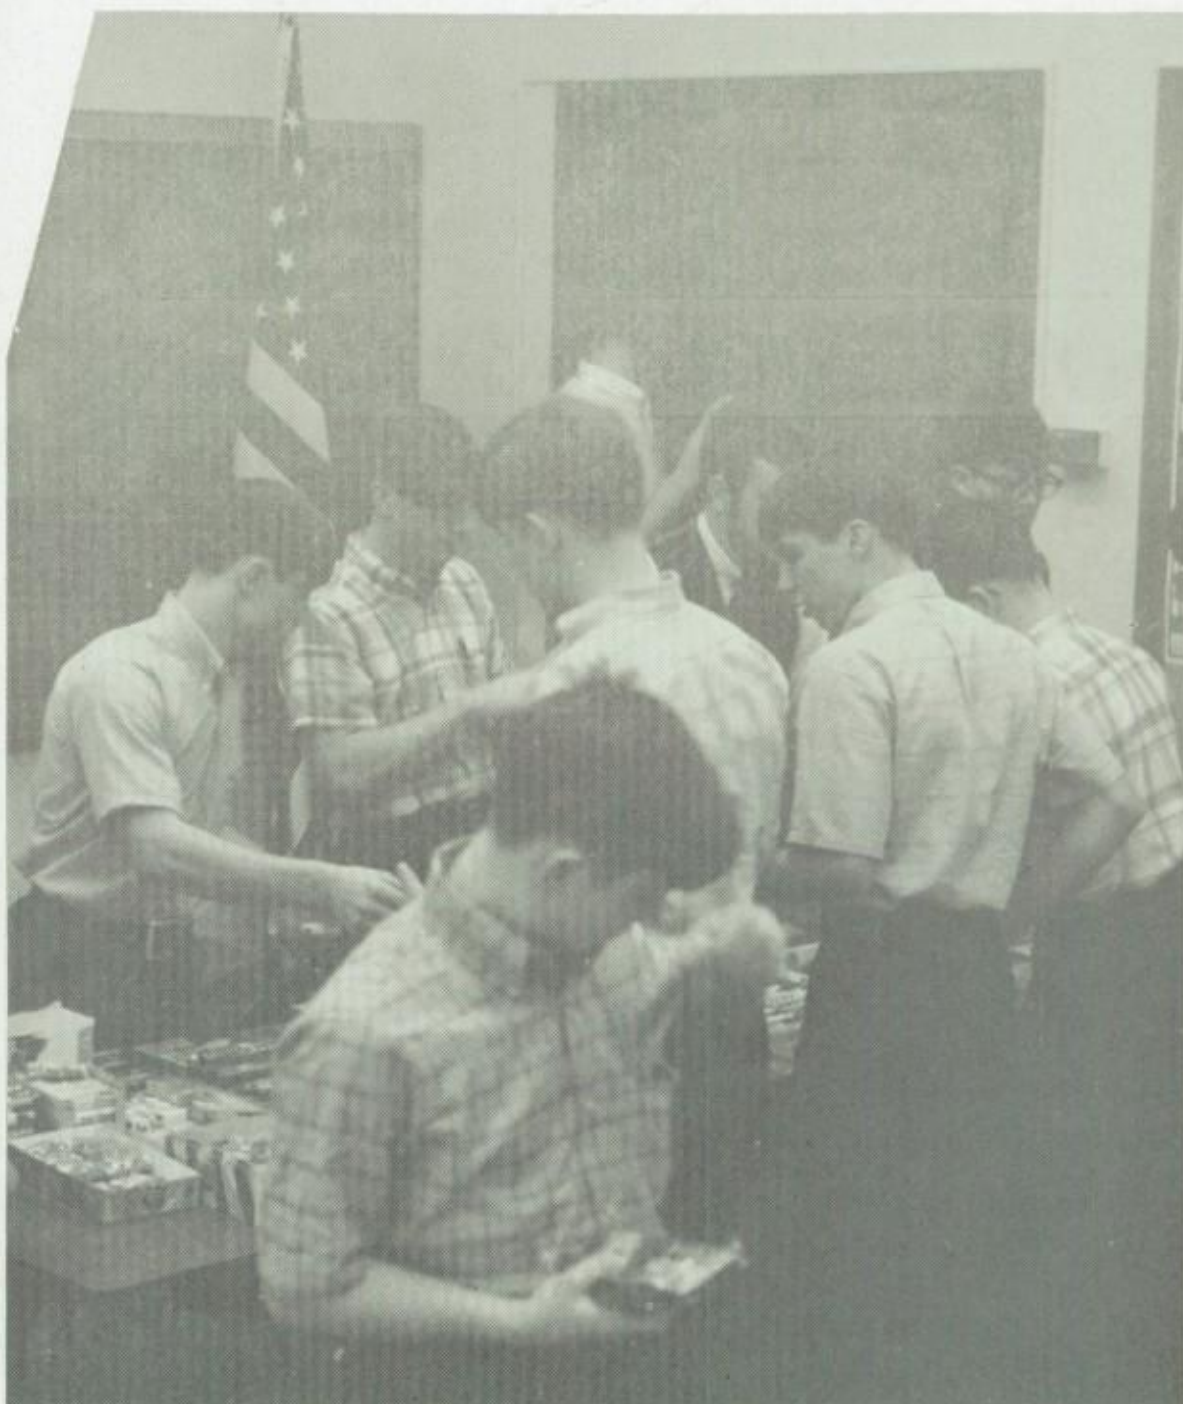

Then stand we as united ones
Our year at last is done.
We've passed the storm, the calm, the fight
To find a brighter sun.

The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures: he leadeth me beside the still waters.

He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me in all the days of my life: and I will dwell in the house of the LORD for ever.
